RR # 1 Jerseyville, Ontario L0R 11R0 (905)-648-5437

Welcome to the 2010 edition of the Cream Of The Crop Sale, our 10th anniversary. Ten years, with each year building on the previous years success. Many of the animals on offer, are the off springs of animals purchased at previous sales. Others were bought as calves at this sale. I was like a child on Christmas morning, all giddy as the sale entrees started coming in, it has been a rare pleasure being involved with this sale.

AGAIN THIS YEARS CONSIGNORS HAVE OFFERED THEIR BEST. Bulls ready to go work now, young bulls ready for next spring, and jr. herd sire prospects. This year all purebred bulls have their DNA on file; this means that all offspring from these bulls will be eligible for registration

The females on offer are out standing, top genetics on many. Cow calf pairs Bred yearling heifers just starting their working careers, fancy calves as show or 4H prospects. Horned or polled, Fullblood, purebred or percentage, they are all here. Cattle and embryo have been brought in from Alberta.

Once again this year calves over 150 days sell separate from their mothers unless announced from the block Dave McNeven will handle order bids again this year, and will be handled in strictest of confidence

Beef prices are rising, the International Markets are opening up for Canadian beef. China has agreed to take Canadian beef of all ages. Interests are being shown for Canadian Blonde genetics for export. The beef industry is turning the corner. Now is the time to buy the right genetics for the upcoming expansion. This is the sale to get the genetics to put you a head in the future. Come early walk through the barns check out the cattle. Talk to the consignors. You will not be disappointed. Join us after the sale for refreshments and socializing.

We thank you for attending and wish you well with your purchases which will be cared for until trucking arrangements can be made.

SALE STARTS AT 4:00 P.M.

John Plas

President, Ontario Blonde Association

Hoard's Station Sale Barn

Located between Campbellford and Stirling on County Road #8.

Dam: Crystal Nicki 11N R17617
BeMiss 6Z R6284
Birth wt. 96 lbs. Just ask John Plas what he thinks about
this breeding. Mr. Excitement is a full brother to Mr.
Universe. Hard decision to make on which bull to send to
the sale but they want your best. This is my best. Elydn
came off test being 1% for gain, rib eye. Mr. Universe
came off test being top 1% for gain, rib eye and with a top
9% for milk. Mr. Excitement is following in their
footsteps. I will take this lad home and put him in
Douglas Test Station if the buyer wishes. Fully
vaccinated ivomec and weighed on August 13th 2010.
Weighing 800 lbs. Will have EPD's by sale time.

FULLBLOOD POLLED BULL

5 DeeBran Introduction 24X

Born 1 Feb 10 Tattoo: DJE 24X Reg Applied for Arsha Lava 103L R16376 (P)

Sire: Arsha's Polled Trooper 67T R17922 (P)

Arsha Lateefah 67L R16368 (P)
Maple Valley Sir Eminent 28G R13333 129N

Dam: Heartwood LoreLei 6L R17137 129N

MAU Aurora 1A R7909 T 129N

Birth wt. 98 lbs. This will be our best bull yet . . . What a boy! Introduction was named at birth and it suits; he is introducing the work or our performance bull Arsha's Polled Trooper. We purchased Trooper from Art & Sharon Breitzkreuz when we were out in Alberta, in 2006. Trooper is the top looking, performing, well-muscled and consistent calf maker we have ever seen in either breed we have. His disposition is also out of this world and we are seeing this in his calves as well. To add to the gold pot Trooper has not had a horned calf yet! In our opinion this would make him homozygous polled and we will be testing him for 129N in the next few months.

Consignor: Dennis, Debbie, Dee-Anna & Branden Elliot, DJ Farms, Stratford ON

Lot 5 DeeBran Introduction 24X

FULLBLOOD BULL

6 Pleasant Valley Xtra 1X

Marmac Mister Fearsome 8F R123 60(P) 129N

Dam: Lavelaines Miss Hope 20H R14152 (P)

MNJ Ursula 18U R 3618

Birth wt. 98 lbs. A fancy young bull who is a part of our 2010 show string, should make a great herd sire

Consignor: Sheldon Asselstine, Pleasant Valley Blondes, Harrowsmith, ON

Notes:

FULLBLOOD BULL

7 High Rock Whopper 15W

Born July 12, 2009 Tattoo: HRF 15W Reg D15126 (P) Fergie 8M R16779 (P) 129N

Sire: West Winds Rainier 11R R17306 (P)

West Winds Miriam 11M R16639 (P) 129N

Willow Creek Commander 26C D5942 (P) 129N

Dam: High Rock Sonya 2m D13208 (P)

High Rock Emma 4J D11594 (P)

Birth Wt 82 lbs. Possible third generation "Homozygous Polled" and AI, Natures Toppers, Willow Creek Commander and West Winds Rainier. Top all that off with a calving ease birth weight of 70lbs, out of a mature brood cow. Possible homozygous polled, easy calving birth weight and lots of milk in the pedigree. To top it off, he is halter and lead broke!! A herd sire ready breed your heifers.

Consignors: Jason & Christine Van Tol, High Rock Farms, Peterborough, ON.

Lot 7 High Rock Whopper 15W

FULLBLOOD BRED FEMALE

8 High Point Miss Melissa 22M

Born Feb.21, 2002 Tattoo: CHA 22M Reg R16602

Beau Bois Café 26C R8616 129N

Sire: Donaleen Mister Herc 13H R14862 129N

Norlock Beckerslea 65B R9530 129N

Voy Sherif 1S R2428

Dam: Harkdale Eirielle 38E R11553

Hanover Chantell 10C R9279T 129N

Birth wt. 82 lbs. A large framed female with lots of milk.

Melissa is very well muscled and passes it on to her calves. We have retained two daughters in our herd.

Unfortunately Melissa lost her 2010 calf to pneumonia. A productive eight year old from Ray Chamber's herd, he bred and raised some of the best!

Exposed to Crystal Wilmer 19W D15009 (P)

Consignor: Eric Doran, Bogart Blondes, Tweed, ON.

Ultra is a moderate framed nicely built young cow. She was my pick of the heifer calves at the 2008 West Winds sale and one of my picks from the entire sale. Unfortunately we lost her calf this spring when she calved in a very nasty May blizzard. However she had a very tidy udder with nice little teats and had a very strong maternal instinct. If I would have had an extra calf to give her she would have gladly taken it. The service sire is a bull we own with Little Creek Blondes and shows promise of being Homozygous polled as all of his calves were polled this year. Exposed to Arsha Polled Umpire R18121 (P) 1/29N May 15, 2010 to July 23, 2010 and exposed to WSS Warden 21W R18475T 1/29N July 24 to Sale Time

Dam: Denlyn Kalista 27K D11815

Harcon Heidi 116H C20916

Miss Universe is one of the gentlest cows you will find anywhere, and her temperament doesn't change when you have visitors. She is a very growthy young cow and also has an excellent udder with good milk flow. The heifer calf started small (65 lbs - twin to another heifer calf), but is growing well. She is also easy to deal with, and our four children (all 6 years old and under) have been breaking her in. I think she would make a great project for a younger 4-H or junior member. The service sire is a bull (semen) I imported from England, and at the time was the record selling Blonde bull ever in that country. His offspring are heavier muscled with great calving ease, milking ability and carcass quality. The pasture sire Warden is no slouch himself and will be our show bull this fall. He is what a Blonde bull should look like with a great temperament, feet and big testicles. This lot could be a sleeper; a young polled female with a polled heifer calf bred back to a great outcross bull all sold in one package. Don't miss them. AI to Blackwater Ainsley R18334 1/29N July 23, 2010 and exposed to WSS Warden 21W R18475T 1/29N August 1 to Sale Time. Lot A: WSS XUBERANT 52X – applied for (P) WSS 52X. Born May 15 2010, Sired By Little Creek Polled Ustis 41U.

Royal Fairy Tale 411F R12556T 129N

Sabrina is a very correct made female from a real complete cow. Her dam is 11 years old and would put most cows to shame with the quality of her udder and teats. Her feet are also as good as you will see anywhere in any breed; they haven't and won't ever need to be trimmed. Sabrina also has a champion pedigree. Superstar, her sire, was undefeated in the show ring as a two year old, and her granddam Fairy Tale was the Reserve Champion female as a calf at the 1996 Royal. Herbie and Zephyr were also Champions themselves and the Jac Mar Sabrina cow produced a lot of very good cattle in her day for Mar Mac Farms. The service sire is a Fullblood son of WSS Mighty from our WSS Petula 13P cow.

Animals resold following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Announcements

Announcements from the auction block shall take precedence over printed material in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

ORDER BIDS: Bids may be furnished in confidential form, and must be in the hands of Complete Sales Management prior to the time of sale.

Bidding

Animals will be sold singly or in lots to the highest bidder.

Bidding will be carried out in Canadian dollars.

Auction

The auctioneer will settle any disputes as to bids and his decision on such matters will be final. The auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the Ontario Blonde d'Aquitaine Association.

Risk

Cattle are at the buyer's risk as soon as sold but every precaution will be taken for their welfare.

Terms

The terms of the sale are cash or cheque payable at par at Sale location. The current rate of exchange as of sale day will apply to purchases made by U.S. buyers. Parties unknown to the sales manager desiring to settle by personal cheque should bring a letter of identification from their bankers. The right of property shall not pass until after full settlement is made. The Ontario Blonde d'Aquitaine Association reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any buyer fail to settle for his purchases or having settled defaults in any manner, The Ontario Blonde d'Aquitaine Association reserves the full power to sell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses incurred shall be payable by defaulter. All settlements must be made with the clerks of the above sale before any cattle will be released.

Shipping

Purchasers are requested to furnish shipping instructions when making settlements.

Agent Only

It is clearly understood that The Ontario Blonde d'Aquitaine Association is acting as intermediary between buyer and seller and is not responsible for any failure by either party to live up to its obligations. Any legal action that may in extreme cases, have to be taken, must be between buyer and seller and will in no way involve The Ontario Blonde d'Aquitaine Association.

Papers

Each animal will carry papers issued by the Canadian Blonde d'Aquitaine Association. Prior certificates issued by the Canadian Blonde d'Aquitaine Association will be furnished in the name of the new owner within six months. Grade animals or announcements from the block excluded, therefore buyers are urged to pay attention to such announcements.

Guarantees

BULLS: All bulls, except calves at side are guaranteed breeders. Each bull after reaching the age of fifteen months must be capable of setting seven head or seventy-five percent of the eligible normal healthy breeding age females, whichever is the lesser of the two, providing he has run with the females for ninety days. The seller is not responsible for damage caused by foreign bodies or for sickness not apparent

at sale time. No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract. In the case of a complaint regarding a bull's breeding guarantee, the buyer should report the same in writing to the seller, enclosing a report prepared by a licensed veterinarian within six months of the sale date or within six months of the time the bull reaches fifteen months, whichever occurs last. The bull must be returned to the seller in good health at the buyer's expense. The seller may replace the bull, or he may attempt to prove the bull a breeder under the terms set out above within six months of the bull's return. If the bull is proven to be a breeder within six months provided, the bull shall be returned to the buyer at the buyer's expense. If he is not proven to be a breeder than replacement or refund is mandatory.

FEMALES: cows represented as being "pregnancy tested safe in calf" have been examined and declared safe by a licensed veterinarian and will be accompanied by a Veterinarian's Certificate to this effect. They are considered breeders without further guarantee. Cows with calves less than six months of age at side shall be considered breeders also without further guarantee. Cows and heifers represented as "bred" are not guaranteed safe in calf but they and open heifers selling as individual lots are guaranteed to be breeders. No guarantee shall apply to suckling calves. In the event that a female is claimed to be a non-breeder, after having been bred regularly to a bull known to be a breeder and after having been examined by a licensed veterinarian, the matter must be reported in writing to the seller within six months of sale date. For heifers under twelve months of age and purchased as single lots and who fail to conceive to the service of a bull known to be a breeder, the matter must be reported to the seller in writing before the heifers reaches the age of eighteen months of age. The seller shall have six additional months in which to prove any such female a breeder and may use any registered bull of the breed available to him. Any female returned will be at the buyer's risk and must be in good health.

No guarantee is given that a pregnant female will deliver live calves, nor that she will carry the calf full term, nor that the calf carried will not be mummified. The seller is not responsible for damage caused by foreign bodies or for sickness not apparent at time of sale. Should any female be transplanted or given injections for transplant, all guarantees are void.

SETTLEMENT OF GUARANTEES: Transportation charges on animals returned to the seller are for account of the buyer. No incidental expense such as feed care, A.I. signed fees, interest, veterinary charges, etc. will be charged by either party when making the settlement. If the seller is successful in the buyer at his expense must reclaim proving the animal in question to be a breeder, then said animal. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement, F.O.B. ranch or location of origin, or a refund of the actual purchase price paid. In no event shall the seller be responsible for more than the original purchase price. Should a dispute arise over the quality of a replacement animal. The Ontario Blonde d'Aquitaine Association or the Canadian Blonde d'Aquitaine Association will appoint a mediator.

Soliciting

Promoting the sale of cattle, other than those in the sale is frowned upon and considered an unethical practice during any sale.

Accidents

Although every precaution will be taken to protect the safety and comfort of buyers, neither The Ontario Blonde d'Aquitaine Association, nor the Auctioneer, nor the Owner assumes any responsibility in these matters and disclaims any liability, legal or otherwise in event of accident or loss of property.
